EDUCATION

- 2021 - 2025
APTECH LEARNING CENTER
 - Advance Degree in Software Engineering(ADSE)
- 2019 - 2021
NATIONAL GOVT. COLLEGE
 - Higher Secondary Certificate(HSC)
- 2019
LARAIB HADEES SECONDARY SCHOOL
 - Secondary School Certificate(SSC)

SKILLS

- HTML
- CSS
- JavaScript
- Bootstrap
- React JS
- Responsive Design
- Restful API

INTERESTS

- Exploring UI/UX trends
- Open-source contribution
- Building personal mini Projects

PROFILE

Highly motivated and detail-oriented Front-End Developer with hands-on experience in building responsive, user-friendly web applications using modern frameworks like React.js. Skilled in translating design wireframes into functional code while ensuring cross-browser compatibility and performance optimization. Passionate about creating seamless user experiences and continuously learning new technologies.

WORK EXPERIENCE

- **Principle Computers & Coaching Center** 2022 - PRESENT
Front-End Development Instructor

Designed and delivered interactive lessons on HTML, CSS, JavaScript, and React.js CIT students.
Guided students through the implementation of real-world projects, including responsive websites and dynamic applications using Bootstrap, Tailwind CSS, and React Hooks.
Conducted workshops on API integration and debugging techniques to enhance students' practical skills.
- **Rose House Grammar School** 2021-2022
Front-End Development Instructor

Conducted live coding sessions to demonstrate techniques such as DOM manipulation, state management, and component-based architecture in React.
Provided students with a hands-on understanding of RESTful APIs, enabling them to fetch and display dynamic data in web applications.
Coached students on creating pixel-perfect UIs with a focus on responsive design and cross-browser compatibility..

PROJECTS

● PORTFOLIO WEBSITE

A responsive personal portfolio website to showcase skills, projects, and contact details

Technologies: React JS
